

INCREASE DUES OF OUTRIGGER CLUB IS PLAN

New By-Laws Fix Figure at \$10 Annually, With \$10 for Future Initiation Fee

Increasing the membership application fee from \$5 to \$10. Raising annual dues from \$7 to \$10 a year. Making annual dues payable in July instead of January.

Annual meeting in July instead of January. Doubling the number of members necessary to request a special meeting. Proposed number 25, present number 12.

Raising the number necessary for a quorum at a special or annual meeting from 25 to 50 members.

These are the principal items in the proposed changes of bylaws of the Outrigger Canoe Club at Waikiki. They will be voted on at a special meeting of all members, called for Saturday afternoon, December 4, at 2:30 o'clock at the club grounds, to take action on the proposed revision.

The club's board of directors, in accordance with action taken at the last annual meeting in January, has prepared a new set of bylaws and has mailed copies to the club's 500 adult members. The proposed bylaws will be submitted to the club's membership, with the recommendation that they be adopted.

Effective January 1, the changes will go into effect. The changes will be adopted at the forthcoming meeting, said President G. H. Tuttle this morning at his office in the Judd building. "The most important are the sections which provide for increasing the initiation fee from \$5 to \$10, and raising the annual dues from \$7 to \$10 a year, the new proposed dues including the locker charge."

The date of the annual meeting will be July instead of January. Annual dues will also be payable in July, for one year in advance. This will enable members to avoid the financial stringency which usually comes after Christmas to men having families to buy presents for.

A new committee is provided for, to be known as the order and entertainment committee. It will relieve the house committee of this work. The question of limiting the adult membership to 500 may also be brought up, although not mentioned in the revised bylaws.

The Outrigger Club was organized by Alexander Hume Ford. It started with less than 50 members and has grown steadily. President Tuttle said today the increase in dues and entrance fees will assure the club of \$5000 a year, which will enable it to make contemplated improvements and afford better service to members. The present adult membership is 500, and the junior 100 more, making a total of 600. In the last year the club spent nearly \$4000 for improvements and buildings. It is out of debt and has nearly \$600 in the treasury.

Attorney Claudius H. McBride was severely injured in an automobile accident which occurred last night. Details of which are lacking. McBride today was in bed at the Seaside hotel and was unable to leave it to answer inquiries regarding the accident. Dr. W. H. Ketchum, who attended him last night, said today that Mr. McBride was badly shaken up but no bones were broken.

McBride, according to meager reports, was in the rear seat of an automobile which collided with another vehicle on King street, near the Opera House. No report of McBride's being hurt has been turned into police headquarters.

EXPECT \$2500 FROM SALES OF XMAS STICKERS

Returns from less than half of the districts over which sales of Red Cross Christmas seals were made this morning show a total of \$794. This for advertising the sale. Honolulu districts heard from as the Star-Bulletin is going to press this afternoon include none of the business districts from which the heaviest tolls are anticipated.

"We expect at least \$2500 as a result of the sales," said J. A. Rath this afternoon, "though we are not sure that complete returns will be in until Monday. The results so far are very promising, and especially so when we consider that so little time was had for advertising the sales. Honolulu responded generously as it always does to a call of this sort."

Captains from the districts heard from so far this afternoon are, Mrs. W. L. Whitney and Mrs. J. D. Dougherty, Beretania Oriental district; Misses Beatrice Castle and Harriet Hatch, Beretania to Hotel and Nuuanu to Alapai; Mrs. W. F. Dillingham and Mrs. Benson, Hotel street, and Nuuanu to the Nuuanu stream; Miss Mary von Holt, street sales. Separate receipts from each district have not yet been calculated by Mr. Rath.

Dismisses suit growing out of smart will case

Holding that no legal service was made on the defendant, Circuit Judge Stuart today dismissed the damage suit brought by W. A. Kinney, former attorney, against Mrs. Elizabeth J. Knight, grandmother of two-year-old Richard Smart, as far as Mrs. Knight is concerned.

Attorney Kinney acted for Mrs. Knight in the contest of the will of the late Thelma K. Parker Smart, which ended in a compromise. After a few months had elapsed, Kinney filed suit against Mrs. Knight in the local court, seeking to recover attorney's fees amounting to about \$13,000. From the fact that Mrs. Knight was a resident of San Francisco at the time the suit was filed, Judge Stuart held that there was no legal service made on her, and dismissed the case.
